What is Strictly Business?

As the leading media company in the Historic Triangle, our commitment is to bring people together. We do this every day, online at WYDaily.com and on-air at 92.3 The Tide. Strictly Business is our way of making our virtual community a literal one, gathering local newsmakers and consumers who have a common commitment to community through a FREE networking event. The event brings up to 1,000 local professionals together to make new connections and grow existing relationships. It is the premier, free networking experience on the Peninsula!
